INSPIRATION

An interpretation of 1920s French country, Julia speaks to decoration and intricate design displayed through beautifully composed turnings. These details embody the robust, signature high profile spout enabling Julia to transition fluidly from informal to formal environments.

PRODUCT FEATURES

Lever handle features a metal index and optional handle materials including porcelain, wood, crystal, and semi-precious stones.

Multiple shower devices can be operated simultaneously with the installation of separate wall valves.

The volume-control wall valve adjusts water flow.
