### INSPIRATION

Inspired by Swedish international modernism, the Sten vessel sink is a versatile form with elegant and functional proportions. When paired with a minimalist wood or metal washstand, the sculptural oval shape of the Sten sink projects a captivating, gentle intensity.

### PRODUCT FEATURES

Carved from a single block of marble which has been hand selected for beauty and character.

Sink is made from natural stone and no two pieces are exactly alike. Color and veining will vary from piece to piece and should be expected.

Designed to be used with wall mounted lavatory faucets.

Sized to work with either European or USA sized lavatory drains.

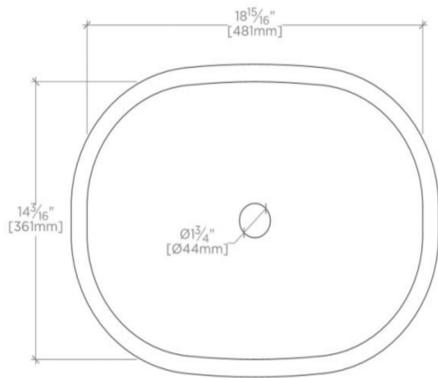

### PRODUCT (NOTES)

Dimensions of sinks are nominal and are subject to slight variations.
