INSPIRATION

The Worth Collection was inspired by bold and stylish design elements seen in fashionable resorts and hotels in the 30's and 40's. The forms are muscular accented with over scaled trim and hardware.

PRODUCT FEATURES

Inspired by trendsetting designers in the 30s and 40s who took traditional forms and made them bigger, bolder, cleaner, and exaggerated.

Beautiful grain of the wood shows through the white or graphite finish to add warmth and texture to the surface.
