### INSPIRATION

Our Universal collection features timeless designs complementing any of our Waterworks. With a wide range of product, from fittings to accessories, Universal adds exquisite proportion and balance to any environment.

### CODES & STANDARDS

Code # WWSV02: Complies with ASME A112.18.1/CSA B125. Certified with the State of MA.

### PRODUCT FEATURES

Simplify the shower experience with a thermostatic diverter system, allowing water to divert between a handshower and a showerhead

Three icons correspond to the handle positions: Showerhead - Off - Handshower

For use with the Henry collection of thermostatic wall valve trims

For use with a diverter shower system set-up, this trim provides a visual message of how to divert and shut off water to the shower

### CERTIFICATIONS

### PRODUCT (NOTES)

Trim plate only; Handle trim (HNVC40 or HNVC50) and Valve (GUSV14) sold separately.
