### INSPIRATION

Inspired by the countless shapes and colors of telephone pole insulator covers, the Watt collection features two styles of large scale boron molded glass shades in clear, amber or blue. The Watt II collection features a smaller scale molded glass shade available in clear. They are an original interpretation of a vintage form and available in sconces or pendants.

### PRODUCT FEATURES

Shade and bulb are included  
Available in a pendant or sconce  
Boron molded glass comes in three colors and two shapes; plain and ribbed  
Nickel pendant features gray fabric cord and old bronze and unlacquered brass feature brown fabric cord
