

WATERWORKS STUDIO

CAMPUS

From the halls of higher learning to the famed walls of the Paris Metro, understated ceramic surfaces serve as backdrops from which great things emerge. Shiny finishes and neutral tones make Campus ideal for cladding walls in a variety of settings.

Thickness

1/4"*

*Nominal: +/- 1/8"

Suggested Grout Lines

1/16" - 1/8"

Installation / Maintenance

- WATERWORKS ASSUMES NO RESPONSIBILITY FOR INSTALLATION
- Installation constitutes acceptance.
- Tile should be installed by a licensed and experienced tile setter.
- Refer to TCNA (Tile Council of North America) or ANSI standards for installation guidelines.
- All tile must be inspected PRIOR to installation.
- Dry lay tile prior to installation to allow for blending of color variation.
- Waterworks recommends a grouted test panel prior to installation to understand final appearance of grouted material.
- Seal grout after installation and maintain regularly.
