INSPIRATION

An interpretation of 1920s French country, Julia speaks to decoration and intricate design displayed through beautifully composed turnings. These details embody the robust, signature high profile spout enabling Julia to transition fluidly from informal to formal environments.

CODES & STANDARDS

Code # JUKM09X: Certified with cUPC, NSF, IAPMO, CSA, CEC

PRODUCT FEATURES

Swivel spout features a single lever, with white porcelain index, allowing for single-handed operation. The addition of a kitchen spray completes the look and functionality of any kitchen.

Standard flow rate is 2.2gpm (8.3 L/min) and State of California requires a maximum of 1.8gpm(6.8 L/min). Also available in other flow options. Contact a sales associate for details.
