INSPIRATION

Drawing on Edwardian style, Easton is the most extensive Waterworks family; a range of moods and a selection of products from fittings to furniture.

PRODUCT FEATURES

Brass metal is used for all trim and valve components.
Optional handle materials include porcelain and semi-precious stones.
The manufacturing process encompasses casting, turning, forging, hand-fitting and hand polishing.
The pillowed propeller on the cross handle makes the product fit comfortably in the hand.
An extensive range of fittings, fixture and accessory options for the lavatory, bath and kitchen.
