INSPIRATION

The Empire collection makes a bold statement; designed as an adaptation of styles popular in England and France during the late 19th century.

CODES & STANDARDS

Code # EMBT04:

PRODUCT FEATURES

The bathtubs inner and outer shells use a fiberglass material which provides structural strength and insulation. Softened bun feet are added to the base of the tub while maintaining a comfortable overall height. These feet are pre-assembled to the bath tub at the factory
 Ogee curve of the tubs apron displays an exterior that is both graphic and graceful; Interior backrest angle height is increased to provide greater comfort and generous proportions

PRODUCT (NOTES)

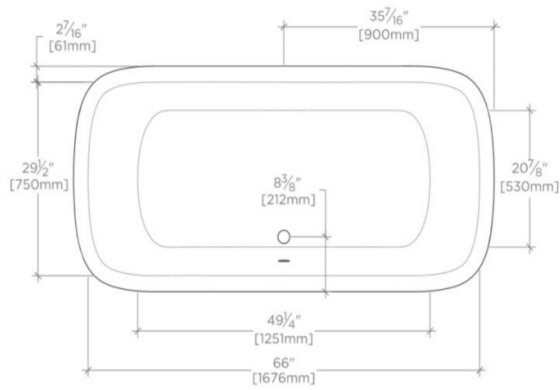

Dimensions of fixtures are nominal. Measure your actual product for rough-in details.
