INSPIRATION

Our well-balanced update of a classic, 1940s-style French vanity. Brass nail heads create classic patterns on Gryphon's leather-wrapped doors, while a choice of finish allows the design to convey a masculine or feminine look.

PRODUCT FEATURES

Leather wrapped walnut panels with all brass hardware
Pair with undermount sinks and slab top (sold separately)
Offered in Saddle leather with Antique Brass or Charcoal leather with Antique Nickel
Waterworks proprietary design
