INSPIRATION

Our Simona collection is handmade in Italy from strikingly thick slabs of gleaming Murano glass, each rich in naturally occurring undulations and surface movement for dramatic visual impact. Each fixture is generously scaled to provide both soft illumination and sculptural presence.

CODES & STANDARDS

PRODUCT FEATURES

Proprietary design

Available in Brass or Nickel with Murano Glass Diffusers

Handcrafted in Italy

Dimmable integrated LED fixture - 50,000 hours of life

Our handblown glass diffusers are individually formed by skilled glassblowers, and natural air bubbles, slight movement within the glass, and subtle variation in shape - normal and inherent to the process - enhance their beauty and ensure no two fixtures are exactly alike.
