Bathing Well Sitting Angle: 107 degree\_angle  
Bottom Angle / Pitch: 1.25 degree\_angle  
Depth to Overflow: 16 1/2"  
Drain Hole Depth: 1"  
Drain Hole Diameter: 2 1/2"  
Drilling Option: None  
Depth / Width: 31"  
Height: 24"  
Installation Type: Freestanding  
Item Weight (Filled): 1025.0 pounds  
Length: 67"  
Material / Wall Thickness: 5/16"  
Overflow Hole Diameter: 1 7/8"  
Overflow Opening: Yes  
Primary Material: Cast Iron  
Suggested Application: Bath

### INSPIRATION

From its smooth, shaped rim to its riveted base, this industrial tub design incorporates historic detailing and modern comfort. The vintage tone is created through a burnished cast iron exterior that offers a rich patina and a wider, welcoming white enamel interior.

### PRODUCT FEATURES

The riveted base detail of Voltaire lends itself to an early industrial influence.

Double ended and wider for added comfort and easy installation.

Available with optional slip resistant bottom, a built in safety feature.

The exterior of primed bathtubs must be finished with a high quality paint before installation.

Due to the manual finishing process, burnished bathtubs will show variation in the amount of exterior finish distress.

### PRODUCT (NOTES)

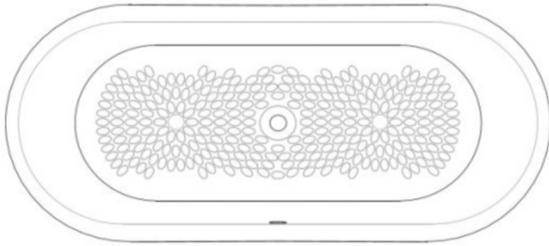

Dimensions of fixtures are nominal. Measure your actual product for rough-in details.
