 Shade Material: Glass
 Voltage: 240
 Wet/Dry: Damp or Dry

INSPIRATION

Our Lucia collection showcases two artisanal techniques that use elegantly offset ovals of crystalline glass or a precisely faceted battuto treatment, to create looks of contemporary refinement. Crafted in Murano and treated with traditional etching techniques, the hand worked glass displays subtle undulations and striations you can see and feel.

CODES & STANDARDS

PRODUCT FEATURES

Proprietary design

Available in Brass or Nickel with Murano Glass Diffusers

Handcrafted in Italy

Dimmable integrated LED fixture - 50,000 hours of life

Our handblown glass diffusers are individually formed by skilled glassblowers, and natural air bubbles, slight movement within the glass, and subtle variation in shape - normal and inherent to the process - enhance their beauty and ensure no two fixtures are exactly alike.
