WATERWORKS

Architectonics

With a heritage of superior craftsmanship, Architectonics handmade tile has been meticulously refined throughout 20 years of evolving shapes, field sizes, textures, colors, moldings and trims. Inspired by global design, the collection's latest introductions give broader artistic sensibility to surfaces.

Recommended Use

Not Recommended Use

Application Notes

* Suitable for use in wet environments, including steam showers, if properly installed, sealed, and maintained

** Metallics not recommended for kitchen backsplash

† Suitable above waterline in tropical/subtropical climates ONLY

†† Suitable for light traffic ONLY (small format - 3 x 3 or smaller)

*** Suitable for exterior use in tropical/subtropical climate ONLY

Installation / Maintenance

- WATERWORKS ASSUMES NO RESPONSIBILITY FOR INSTALLATION
- Installation constitutes acceptance.
- Tile should be installed by a licensed and experienced tile setter.
- Refer to TCNA (Tile Council of North America) or ANSI standards for installation guidelines.
- All tile must be inspected PRIOR to installation.
- Dry lay tile prior to installation to allow for blending of color variation.
- Relief decorative tiles should be taped off during grouting for protection and to facilitate clean up.
- Tile should be sealed PRIOR to grouting. Dark grout may stain crackle tile.
- Waterworks recommends a grouted test panel prior to installation to understand final appearance of grouted materials.
- Seal tile and grout joints after installation and maintain regularly.
