CODES & STANDARDS

Code # TNSK04:

PRODUCT FEATURES

Elegant and solid, deep and durable, our Italian Carrara farmhouse sink is both casual and traditional. Stone has been used for centuries as wash basins and they age gracefully over time. The overall look can be at home in an old-fashioned English farmhouse kitchen or one that services a more eclectic mix. Its delicate light gray web like veins add soft and neutral tones.

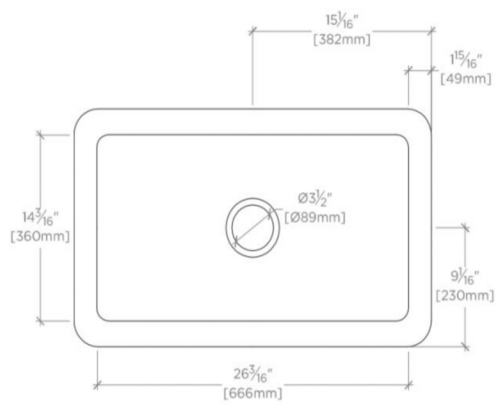

PRODUCT (NOTES)

Dimensions of sinks are nominal and are subject to slight variations.
