Shade Finish: Clear  
Shade Material: Glass  
Voltage: 240  
Wet/Dry: Damp or Dry

### INSPIRATION

Our Lucia collection showcases two artisanal techniques that use elegantly offset ovals of crystalline glass or a precisely faceted battuto treatment, to create looks of contemporary refinement. Crafted in Murano and treated with traditional etching techniques, the hand worked glass displays subtle undulations and striations you can see and feel.

### CODES & STANDARDS

### PRODUCT FEATURES

Proprietary design

Brass with Murano Glass Diffusers; Brass and Nickel pins are included with each fixture

Handcrafted in Italy

Dimmable integrated LED fixture - 50,000 hours of life

Our handblown glass diffusers are individually formed by skilled glassblowers, and natural air bubbles, slight movement within the glass, and subtle variation in shape - normal and inherent to the process - enhance their beauty and ensure no two fixtures are exactly alike.
