### INSPIRATION

Our Universal collection features timeless designs complementing any of our Waterworks. With a wide range of product, from fittings to accessories, Universal adds exquisite proportion and balance to any environment.

### PRODUCT FEATURES

A standard in European hotels, an electric towel warmer is the ultimate in luxury and we're pleased to make it available for American homes.

Made of brass materials, dimensions can be adjusted and additional rungs added as part of our made-to-order program.

To suit each bather's personal comfort level, we recommend installation with a dimmer switch. Waterproof Heating Element. Product is supplied with 3 meter(9.84 foot) power supply cable. Longer lengths can be special ordered.
